Resolution 00-3-f
Stone Stairway
November 14, 2000

PURPOSE: For Western Kentucky University to restore the stone stairway leading from Big Red Way to the road in front of Van Meter Hall.

WHEREAS: The use of the stairs has been restricted since spring of 1999, due to their deteriorating condition, and

WHEREAS: It is currently an eyesore to visitors due to the safety measures taken to block off the stairway, and,

WHEREAS: It represents an unnecessary danger to students who walk up the grassy hill around the stairs, and

Whereas: Those students who choose to take the long walkway around the hill find it more time consuming.

Therefore: Be it resolved that we, the members of the Student Government Association of Western Kentucky University, do hereby recommend that the University restore the stone stairway in front of Van Meter Hall.
