Resolution 00-1-F
Opinion of the Student Body regarding the proposed Student Athletic Fee Increase
October 24, 2000

Purpose: To state the opinion of the student body under the authority of the Student Government Association of Western Kentucky University.

Whereas: The Student Government Association has surveyed students on their opinion of the fee increase, and

Whereas: The results of the survey are overwhelmingly opposed to any type of fee increase, and

Whereas: An \$80.00 fee increase within an eight month time frame is an extremely drastic increase to the current athletic fee of \$42.50, and

Whereas: The sole purpose of the University is for students, thus it is critical to listen when the students speak.

Therefore: Be it resolved that we, the Student Government Association of Western Kentucky University, do hereby state that the opinion of the student body is in opposition to the proposed Athletic fee increase.
