Resolution 01-06-F  
Telephone  
October 25, 2001

PURPOSE: For the Student Government Association to recommend that student telephone services provide a means for students to make local calls without a long distance account.

WHEREAS: Student telephone services now requires students to use their long distance access codes to make local calls, and

WHEREAS: It is difficult for students to make local calls without setting up a long distance account, and

WHEREAS: This prevents students from using calling cards and other similar long distance services and effectively requires them to ~~become customers of student telephone services, and~~ *open an account with student telephone services*

WHEREAS: Students who have unpaid long distance charges for any reason with the student telephone service are prevented from making local calls.

THEREFORE: Be it resolved that the Student Government Association of Western Kentucky University do hereby recommend that student telephone services no longer require students to use their long distance codes to make local calls.
