RESOLUTION #16

Advanced Registration

Whereas, registration at Diddle Arena has been the source of much complaint, dissatisfaction, and massive confusion, and

Whereas, many institutions have improved their registration process to more modern, accurate and earlier registration, and

Whereas, presently there is a University Committee studying types of registration,

Therefore, be it resolved that Western institute a form of advanced registration.

Presently, several departments are practicing this; so be it resolved that all departments uniformly offer pre-registration in accordance with specified guidelines.
