Resolution 79-11
Part-Time Student Activity Fee
Introduced 11/13/79

Status:

Whereas, part-time students are presently being denied active privileges held only for full-time students such as free admission to WKU athletic events and the Talisman, and

Whereas, part-time students presently must pay the total tuition fee (i.e. \$260 for in-state) before receiving such privileges, and

Whereas, only \$50 of the total tuition fee goes to various student services,

Be it resolved, that ASG recommends that the student fee of \$50 be broken up as a per hour figure (i.e. \$4 per credit hour) and that part-time students if they so desire have the opportunity during registration to pay a proportionate amount to make up the difference in what is normally paid: thus allowing him or her the same privileges as full-time students.

Furthermore, that it be emphasized that this process be taken care of during the registration process and that another ID tag be made to distinguish between part-time students (as they are presently), full-time students, and part-time students with full-time student privileges.
