

WESTERN KENTUCKY UNIVERSITY

BOWLING GREEN, KENTUCKY 42101

Office of Associated Student Government

Resolution 81-2
Traffic Ticket Resolution
Introduced: 4/21/81

Status:

PASSED

Whereas, the majority of students of Western Kentucky University have automobiles and are registered with the Department of Public Safety, and

Whereas, the university withholds registration packets and transcripts from students who have not paid for past due tickets which are classified by the university an "obligation to the university," and

Whereas, (advanced) registration has been slowed by the university procedure of withholding registration packets from students,

Therefore, we the ASG of WKU do hereby suggest to the university, the possibility of sending outstanding traffic ticket memorandums to every student violator in order to reduce packet withholding,

Furthermore, traffic ticket memorandums would be sent out at least thirty days before advanced registration begins,

Lastly, a suggestive alternative to the traffic ticket momorandums would be to place an advertisement in the College Heights Herald reminding students to check with the Department of Public Safety for traffic violations.
