Resolution 86-15-F
Study Day Before Final Exams
Introduced 11-18-86

PURPOSE: For the University to establish one permanent study day before final exam week for the benefit of the student body.

STATUS:

WHEREAS, Some semesters have one built in study day, and

WHEREAS, This policy varies from spring semester to fall semesters, and

WHEREAS, By having a day before final exam week starts, students would have a chance to see instructors for preparation for final exams, and

WHEREAS, Since final exams usually count heavier than regular tests, more time is needed, considering several exams are given during final exam week.

THEREFORE: Be it resolved that we the members of the Associated Student Government of Western Kentucky University ask the University to schedule the Friday before final exam week as a study day both spring and fall semesters.

FURTHERMORE: We ask for this day with the best interest of the student body in mind.
