RESOLUTION 90-19-S
CONCERNING APPLICATION OF STUDENT FEE
INTRODUCED APRIL 17, 1990

PURPOSE: For Western Kentucky University to raise the budget of the Associated Student Government to one that is adequate in comparison to the other universities in Kentucky.

STATUS:

WHEREAS, The current budget of the Associated Student Government is the lowest student government budget in the state, and

WHEREAS, The Associated Student Government could improve their services to the student body if the budget would be increased, and

WHEREAS, The Associated Student Government budget has not been raised in several years, and

WHEREAS, Eastern Kentucky University's student government budget is \$17,845, Northern Kentucky University's budget is \$27,829 (\$9,000 indicated in stipends), University of Louisville's budget is \$305,000 (\$125,000 indicated for student activities) and University of Kentucky's budget is \$123,000, and

WHEREAS, The Associated Student Government would like to eventually initiate several programs and services, including a councilor hot line, student grievance officer, full-time ASG secretary, ticket outlet and monetary organizational assistance, and

WHEREAS,

Given the current tuition increase, the Associated Student Government does not feel it is appropriate to request a fee for such activities.

THEREFORE:

Be it resolved that we, the members of the Associated Student Government, do hereby ask Western Kentucky University to increase the budget of the Associated Student Government to an adequate amount so that we may be equal to other Kentucky universities as well as begin to initiate potential student programs and services.

FUTHERMORE:

Due to inflation and to the fact that they have not been raised since the late 1970's, we also request that the Executive Officer's scholarships be raised in order to be consistent with the rest of the state's student government scholarships.
