Resolution 92-06-S

EXPERIMENTAL RESIDENCE HALL VISITATION PROGRAM

- PURPOSE: To support an Experimental Residence Hall Program in one female and one male residence hall on campus that involves visitation.
- WHEREAS: Western Kentucky University is moving towards the future with an increases awareness in living requests of the student body, and;
- WHEREAS: Western students should be mosre directly involved in the formulation of rules and regulations that govern them when living in residence halls, and;
- WHEREAS: A program that does directly involve students in the rules and regulations process would be considered an experimental residence hall program, and;
- WHEREAS: This program would involve one male and one female residence hall on campus, and;
- WHEREAS: This program would allow students on all floors of each residence hall to decide their own visitation hours, the enforcement of such visitation hours and the punishment for the breakage of those visitation hours, and;
- WHEREAS: The mentioned visitation hours will include any visitation period except te\wenty-four hour visitation. and;
- WHEREAS: This program would then be approved or disapproved by the Director of Residence Life, and then sent back to each florr for readmission or entactment, and;
- WHEREAS: The mentioned visitation hours will include any

visitation period except twenty-four hour
visitation, and;

WHEREAS: Each resident must attend extensive programming
on a variety of awareness issues sponsored by
Residence Life that will take place prior to the
decision making process of each floor, and;

WHEREAS: This program will go into effect next fall and
will then be evaluated by Residence Life for
effectiveness at the end of the semester, and;

WHEREAS: This evaluation should provide Residence Life
with a realistic outlook on the effectiveness or
the ineffectiveness of such a program.

THEREFORE: We, the members of the Associated Student
Government do hereby support an experimental
Residence Life program involving visitation.
