RESOLUTION 93-20-F
CONTINUATION OF HEALTH AND ACTIVITY FEE
Introduced: November 30, 1993

- PURPOSE:** For a continuation of the \$5 Health and Activity Fee currently funding the Preston Center to be assessed to students with funding going toward an outdoor intramural facility.
- WHEREAS:** The Preston Health and Activities Center is a tremendous asset to the University and provides an adequate source for indoor intramural activities, and
- WHEREAS:** A \$5 fee was assessed to students to fund this facility beginning in the Fall of 1990, and this fee will discontinue in the Spring of 1994, and
- WHEREAS:** The continuation of this fee is a necessity in order for Western students to gain the addition of an adequate outdoor recreational facility, and
- WHEREAS:** This fee will be placed in a fund, along with \$40,000 approved by the Board of Regents, to overhaul Detrex Field and make it Western's outdoor intramural facility, and
- WHEREAS:** Detrex Field has more than twenty acres which could be utilized for this purpose allowing lines to be drawn separating numerous playing fields for all types of sports, lights for night activities, restrooms, and bleachers installed, and
- WHEREAS:** Western Kentucky University is committed to the health and wellness of its students, and an outdoor intramural facility would prove to be very beneficial.
- THEREFORE:** Be it resolved, that we, the members of the Student Government Association, do hereby request the University to continue the \$5 Health and Activity Fee

assessed to all students for a four-year term beginning in the Fall of 1994, and culminating in the Spring of 1998, for the purpose of developing and upkeeping an outdoor intramural facility at Western Kentucky University.
