RESOLUTION 95-11-F
Add Lights to Make Campus Safer
November 21, 1995

PURPOSE: For the University to improve safety conditions by adding lights in such areas as McCormack 15 minute lot, DUC Southlawn walkway from DUC to Tate Page Hall, and Wetherby Administration Faculty Staff lot.

WHEREAS: If more lights are placed on campus in these dark areas, the students will feel more secure, and

WHEREAS: Better lighting would promote the use of on campus facilities after dark, and

WHEREAS: More lighting will deter theft, and restore the feeling of safety to WKU students and faculty.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby recommend that lighting be placed in the above recommended areas.
