Resolution 97-19-F
Functioning I.D. Scanners
November 11, 1997

PURPOSE: For the University to ensure that the student I.D. scanners on vending, beverage, and laundry machines on campus are in working order.

WHEREAS: Many students use Big Red Dollars to pay for food, beverages, and laundry on campus, and

WHEREAS: Big Red Dollar scanners are often not working at various locations on campus, and

WHEREAS: students find it very discouraging when money placed into Big Red Dollar accounts can not be accessed.

THEREFORE: Be it resolved that we the members of the Student Government Association do hereby recommend that student I.D. scanners on vending, beverage, and laundry machines work properly.
