Resolution 99-4-S
Extension of S.H.S. Decision
April 6, 1999

PURPOSE: For President Gary Ransdell to instruct the ad-hoc committee on Student Health Services to postpone their decision on Student Health Care privatization until the Fall semester of 1999.

WHEREAS: Student Health Care is a concern to all students at Western Kentucky University, and

WHEREAS: Under the current time frame a decision concerning privatizing Student Health Care would be made during the summer break, and

WHEREAS: This time frame would make it impossible for the SGA Congress and a great majority of the student body to be apart of the decision making process.

THEREFORE: Be it resolved that we, the members of the Student Government Association, do hereby request that President Gary Ransdell instruct the special committee on Student Health Services to postpone their decision on Student Health privatization untill the Fall semester of 1999.
